AgriTab Corp. Aquatic-Tabs

Aquatic-Tabs 10-26-10 with high magnesium and micronutrients provide a proper balance of needed slow-release nutrients for all types of flowering pond plants.

Formulated for moderate growth and strong blooming without algae growth. Humus and natural saponins enhance rooting and nutrient uptake.

20 tablets/bag	\$7.50
40 tablets/bag	\$10.95
100 tablets/bag	\$ 19.95

Aquatic-Tabs special 20-5-10 low phosphate formula with micronutrients and organic boosters to provide a consistent release of nutrients that promotes strong green growth and rooting. Time release 3 – 4 months feeding for all types of marginal's, taros, rushes, bog and low flowering pond plants. Contains high iron to alleviate iron chlorosis (leaf yellowing), humus to improve aquatic soils, sea kelp extracts to provide 76 trace minerals and growth hormones, and mycorrhizae to expand rooting.

20 tablets/bag	\$8.00
40 tablets/bag	\$11.75
100 tablets/bag	\$21.50

AgSafe Throw Tabs are unique natural organic nutrient tablets that feed all types of floating pond plants. Special 10-4-10 formulation supplies quick feeding nutrients and micronutrients. No free phosphates to cause algae growth. Contains high iron to alleviate leaf yellowing (iron chlorosis), humic acids, organics, sea kelp, extracts, plant growth hormones and vitamins.

20 tablets/bag	\$7.50
40 tablets/bag	\$10.95
100 tablets/bag	\$19.95
